Applicant notes the current Office Action date mailed 9/28/2004 is noted as responsive to Applicant's communication dated 18 June 2003. Importantly Applicant submitted his most complete IDS and supporting documentation on Dec. 5, 2003. To the best of Applicants knowledge, the Dec. 5, 2003 IDS includes new information and all previously disclosed information so that Applicant believes the Dec. 5, 2003 IDS is the most complete disclosure of prior art, references and relevant information in the current file.

Applicant requests that the claims of the above elected Group be carefully examined in detail over the information of the Dec. 5, 2003 IDS and any other information the Examiner may find relevant. Thank You.

Applicant believes the currently pending claims 193-194, 204-205 and 221-230 of the now elected Group XIII are all properly allowable over all known prior art. Thank You.

Respectfully,

Brad A. Armstrong
